In Memory —

Of One Who Gave His All For Liberty . . .

Coffin that passes through lanes and streets,
Through day and night with the great cloud darkening the land,
With the pomp of the inloop'd flags with the cities draped in black,
With the show of the States themselves as of crepe-veil'd women standing,
With processions long and winding and the flambeaus of the night,
With the countless torches lit, with the silent sea of faces and the unbared heads,
With the waiting depot, the arriving coffin, and the sombre faces,
With dirges through the night, with the thousand voices rising strong and solemn,
With all the mournful voices of the dirges pour'd around the coffin,
The dim-lit churches and the shuddering organs—where amid these you journey,
With the tolling, tolling bells' perpetual clang,
Here, coffin that slowly passes,
I give you my sprig of lilac.

—From "When Lilacs Last in the Dooryard Bloom'd" by Walt Whitman on the occasion of Abraham Lincoln's assassination in 1865

The words of John Fitzgerald Kennedy: "A man does what he must."

. . . If we are given the mandate, and if we lead, we are going to get America moving again.

—Campaign speech, Pittsburgh, Oct. 10, 1960

And so, my fellow Americans, ask not what your country can do for you; ask what you can do for your country.

—Inaugural Address, Jan. 20, 1961

According to the ancient Chinese proverb, a journey of 1,000 miles must begin with a single step. My fellow Americans, let us take that first step. Let us, if we can, step back from the shadows of war and seek out the way of peace. And if that journey is 1,000 miles or even more, let history record that we, in this land, at this time, took the first step.

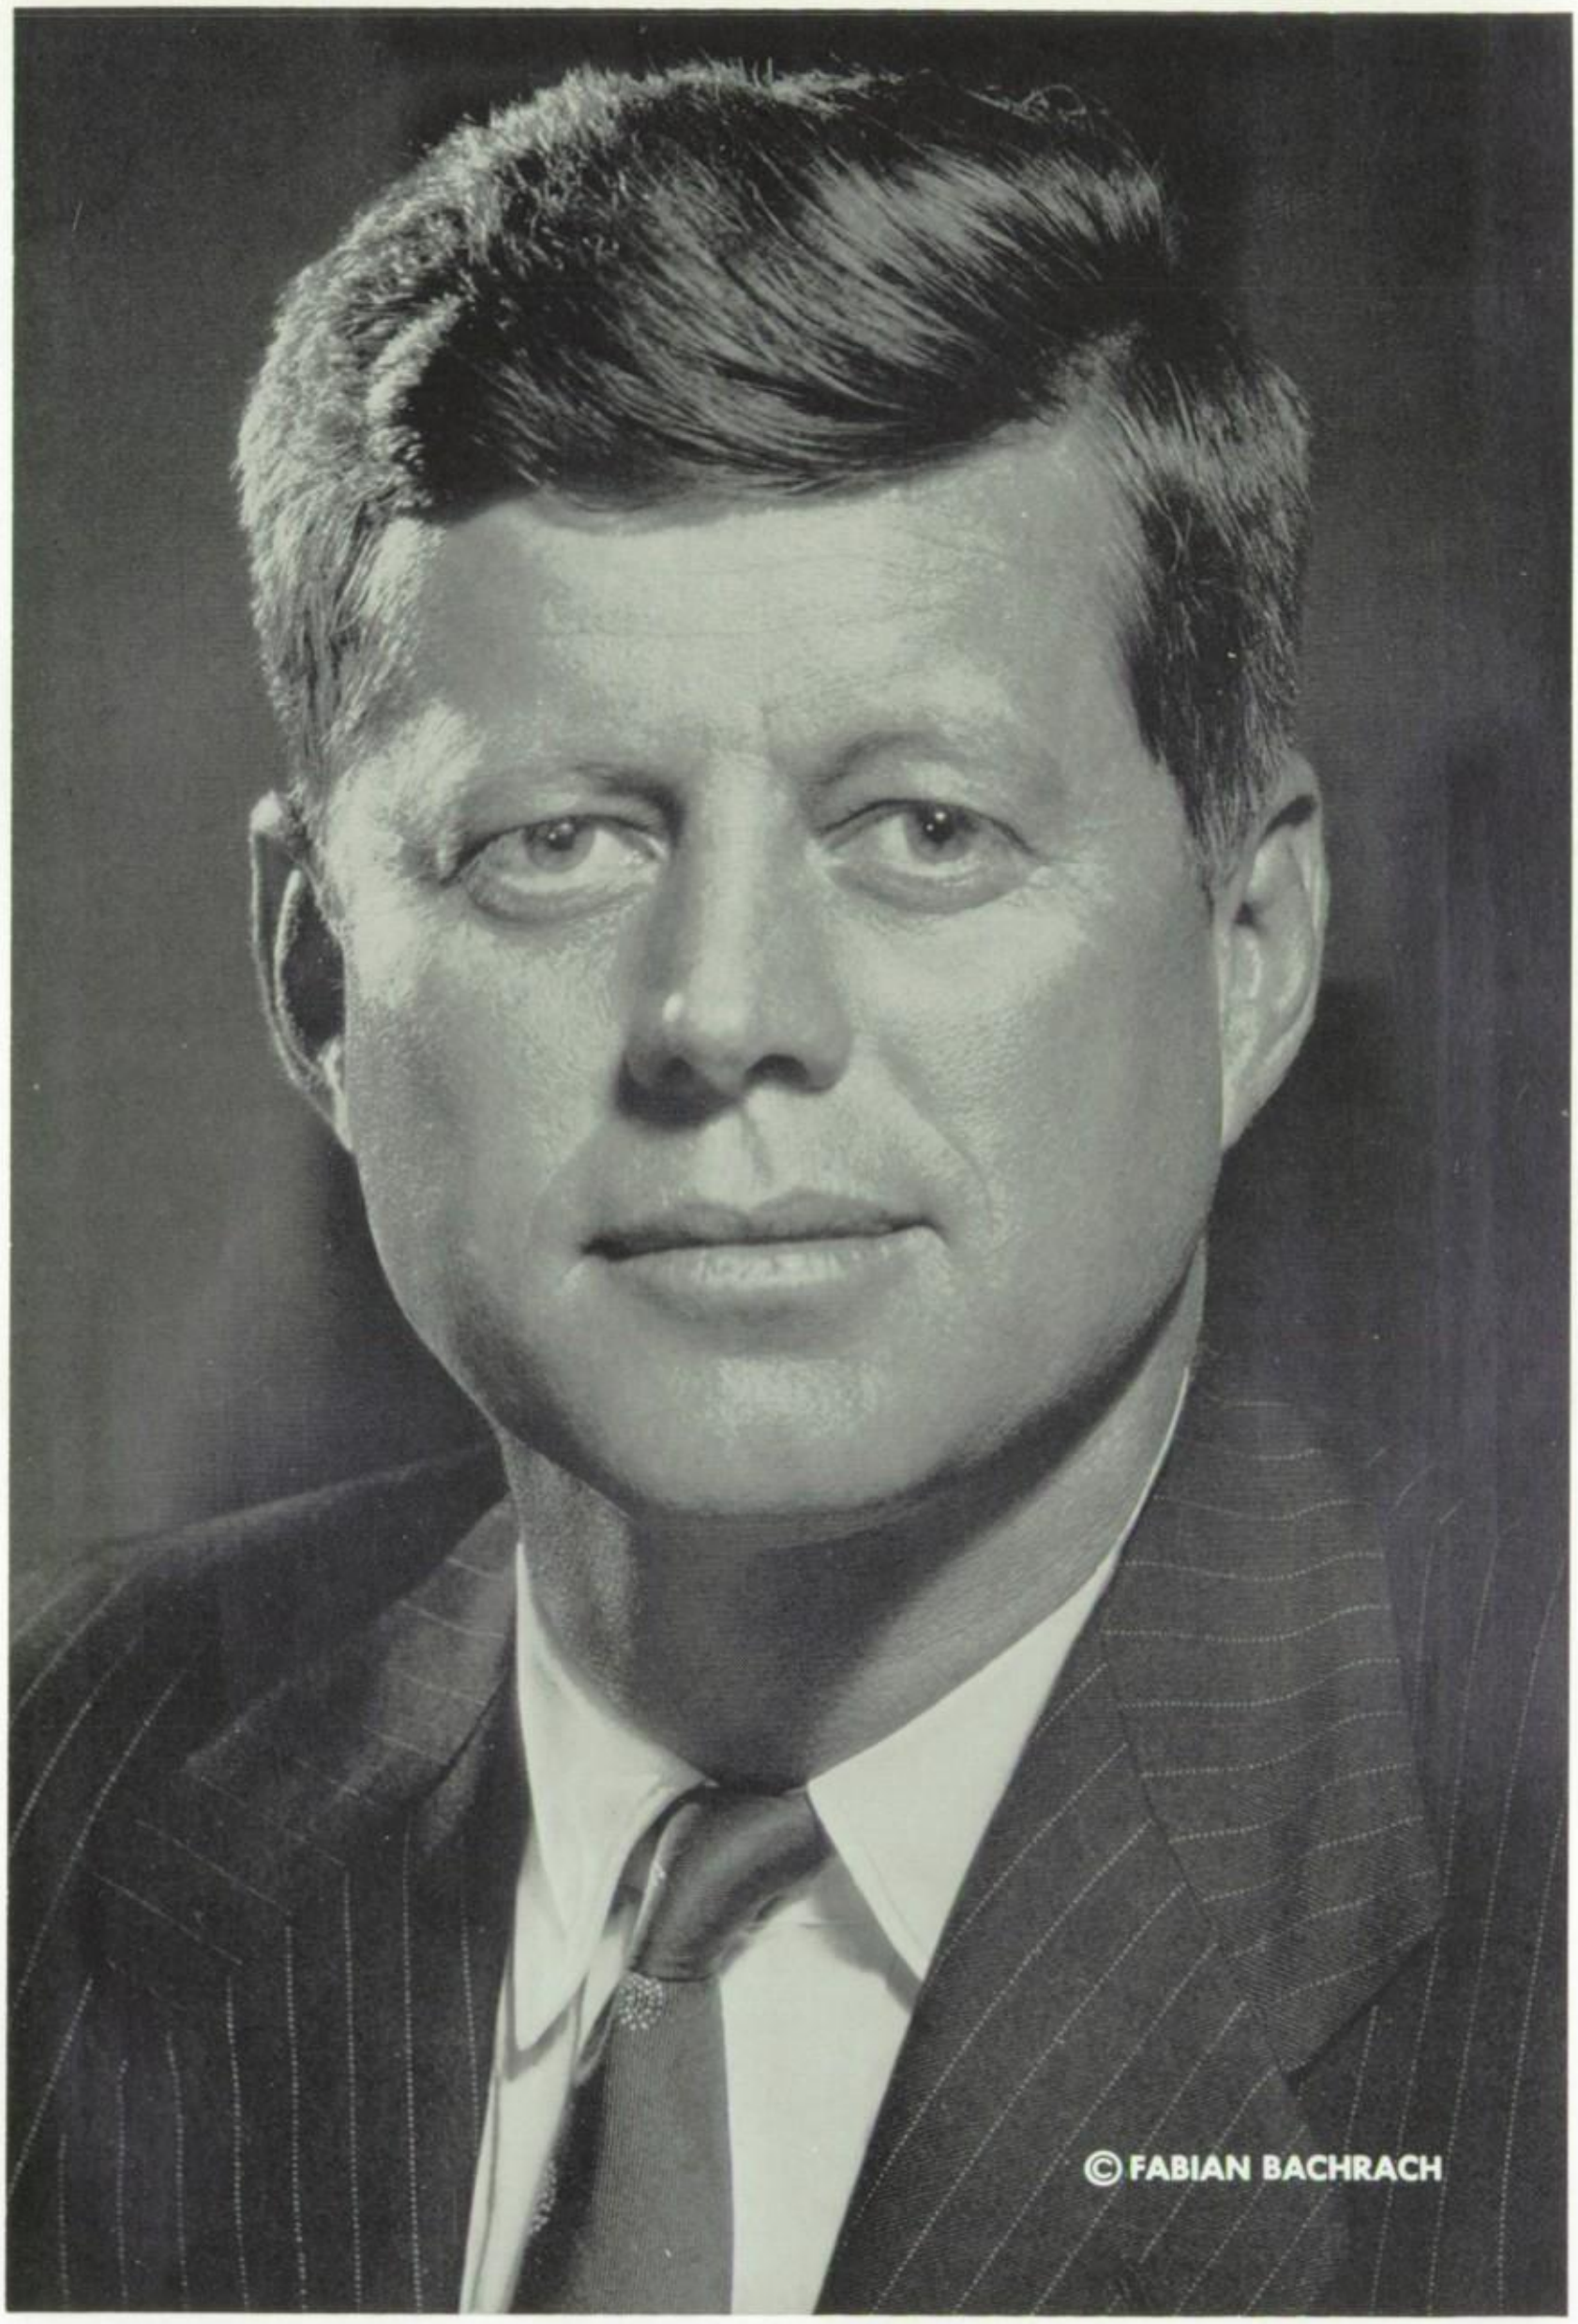
—Report on the testban treaty, July 26, 1963

Let every nation know whether it wishes us well or ill, that we shall . . . bear any burden, meet any hardship, support any friend, oppose any foe to assure the survival and the success of liberty . . .

—Inaugural Address

This is a dangerous and uncertain world . . . No one expects our lives to be easy—not in this decade, not in this century.

—Last speech, Fort Worth



JOHN FITZGERALD KENNEDY
Thirty-fifth President of the United States
1917—1963

Although many incidents occurred during this school year, not only at Muhlenberg, but throughout the entire world, the graduation ceremonies will be of major importance in the lives of the 1964 seniors. These seniors, whether they plan to continue their education or assume other responsibilities, attribute the knowledge they possess to Muhlenberg and its faculty.

Our thoughts are held in loving thrall
To this, our honored Hall.
Within these walls we've pondered o'er
The paths that lead to All.
The best that wisdom gives, we've got;
The prize belongs to all.
Our loyal friendship's flower divine
That bides in Blue and Gold.

Then here's a rousing shout to her
And to her colors bold.
We'll e'er be true and loyal to
The noble Blue and Gold.

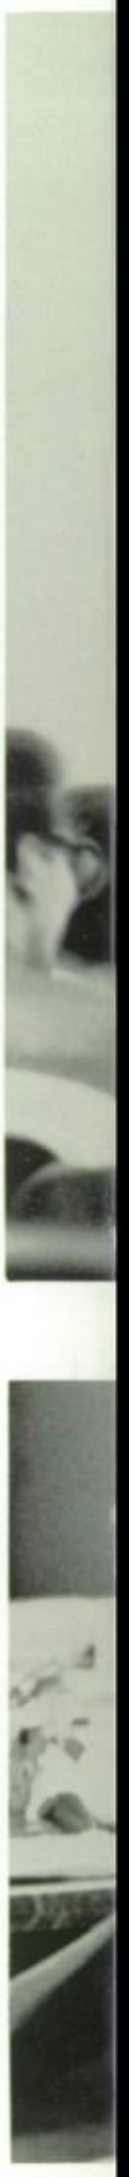
A Rousing Shout To Her."

Studying, socializing, creating, and learning were the vital segments in the life of Muhlenberg students.

All the students' actions reflected Muhlenberg. All of Muhlenberg's ideals and rules influenced and enriched the students and faculty.

Extracurricular and club activities prepared the pupil for different phases of life. The students participating in the World Literature class, which was on a voluntary basis and held during a club period, were introduced to works including Dante's *Divine Comedy*, and Aristophanes' *The Frogs*, and Homer's *The Iliad*.

Whether it was participating in a sport, eating in the cafeteria, or voting in the Student Council elections, everyone will remember Muhlenberg.

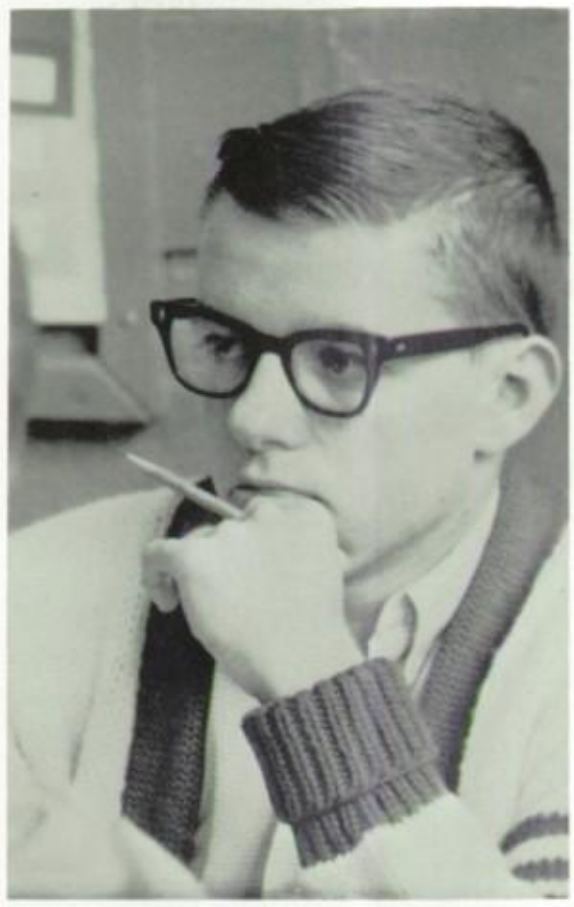


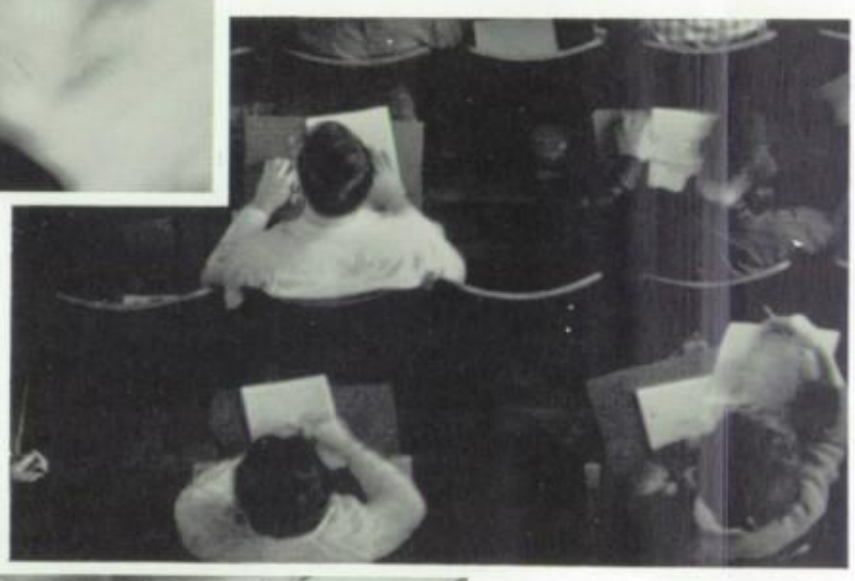
School Life Shapes The Mold Of The Individual For The Future

Ring! . . . the average student gets ready to pass classes. Ring! . . . the student passes classes. Ring! . . . the student prepares for his next class. To many people this schedule may seem boring and uneventful, but it is the little incidents of the day which make school life exciting, full of fun and very educational.

A day at M.T.H.S. may include a discussion on the *Iliad*, the dissection of a starfish, laboratory experiments, the building of an end table, hemming a dress or trying to obtain the correct figures on a balance sheet, but whatever it includes the student is learning something which will help him in the future. Necessary in mastering any of these skills are two main factors. First of which is an interesting and prepared explanation on the part of the teacher and secondly concentration and thought on behalf of the student.

But on the lighter side, school life is filled with pep rallies and cheerleaders, the selling of candy after school by G.A.A., class plays, dances, baseball games, homeroom parties and most of all lasting friendships!





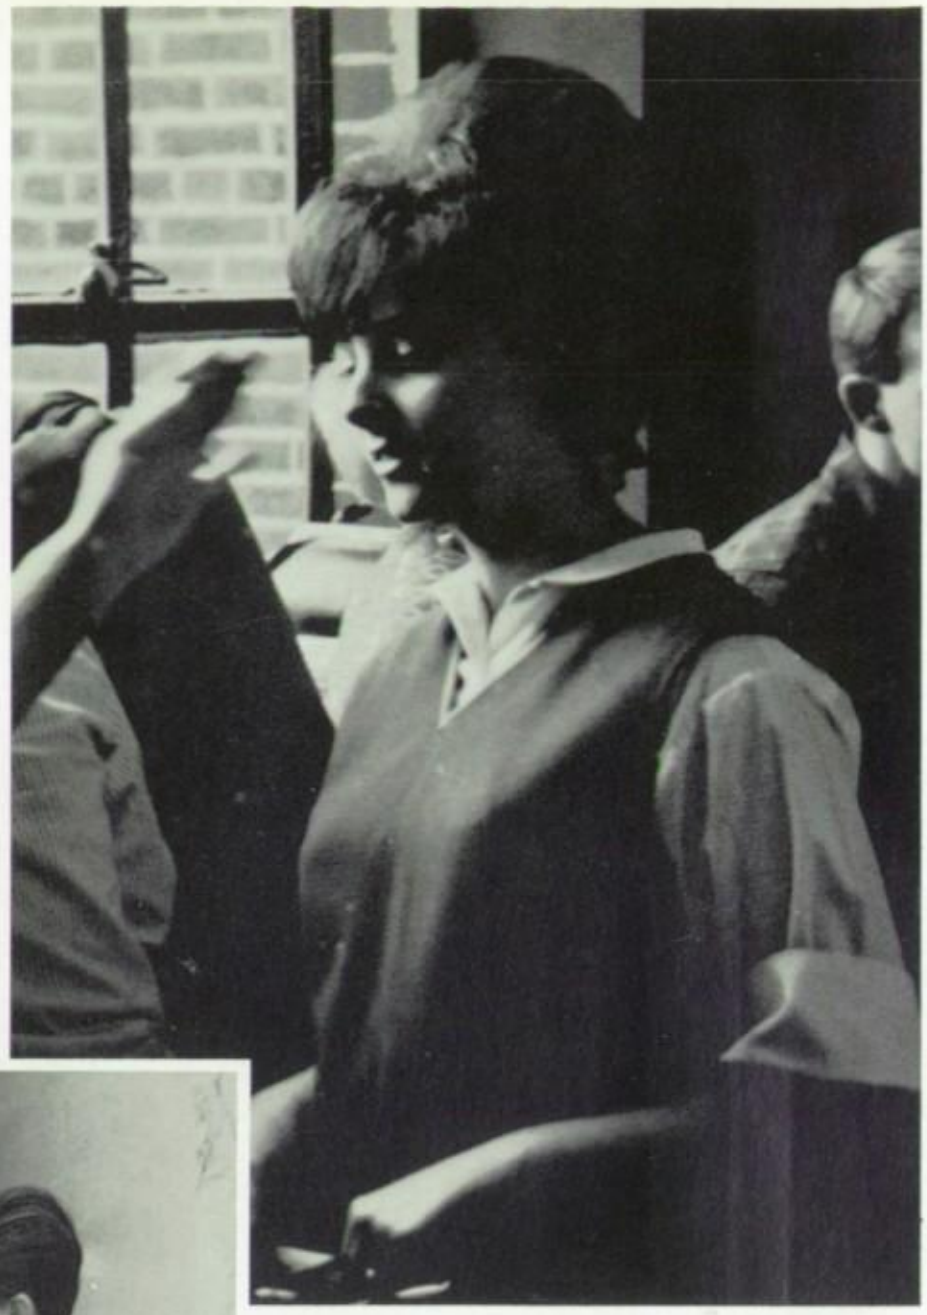
1963-64 School Year Is Invaded

By . . .

"As the times change, we change with them." This is not only true of character, but also of outward appearance.

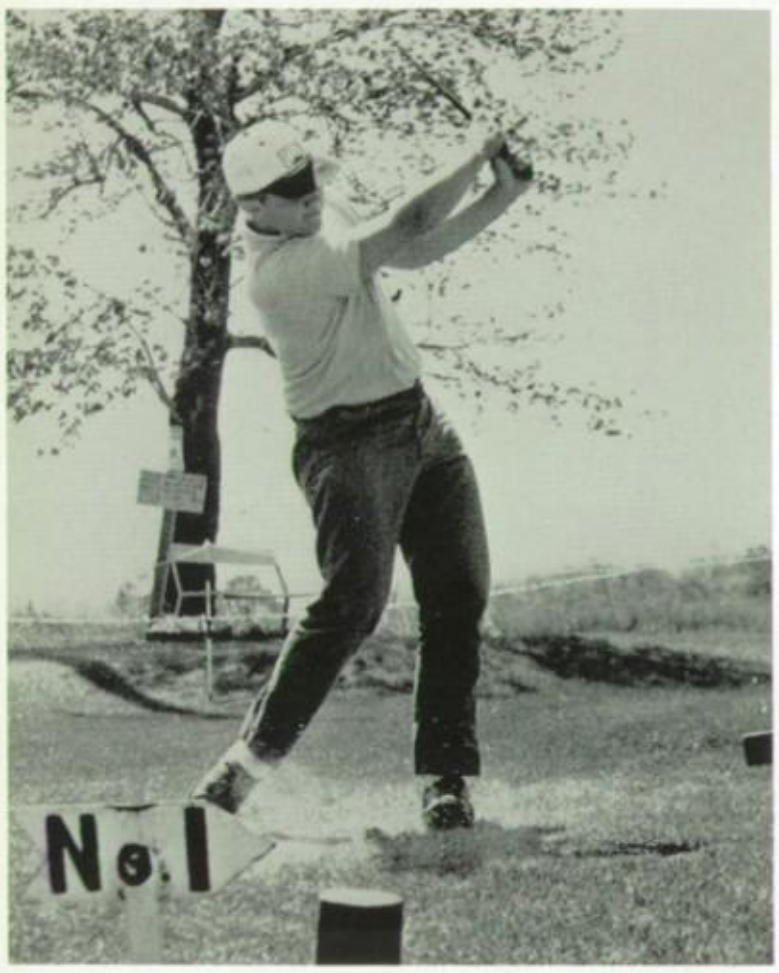
Leaving last year's look as a bygone fad, the student changed to collegiate attire. Madras, mohair, and oxford cloth were considered "in." Added to nearly all the girls' wardrobes were patched blouses, windbreakers, dickies, Camelot stockings, bulky sweaters, A-line skirts, and stretch slacks. The boys chose levis, cut-away coats, shark-skin suits, and striped ties and jackets.

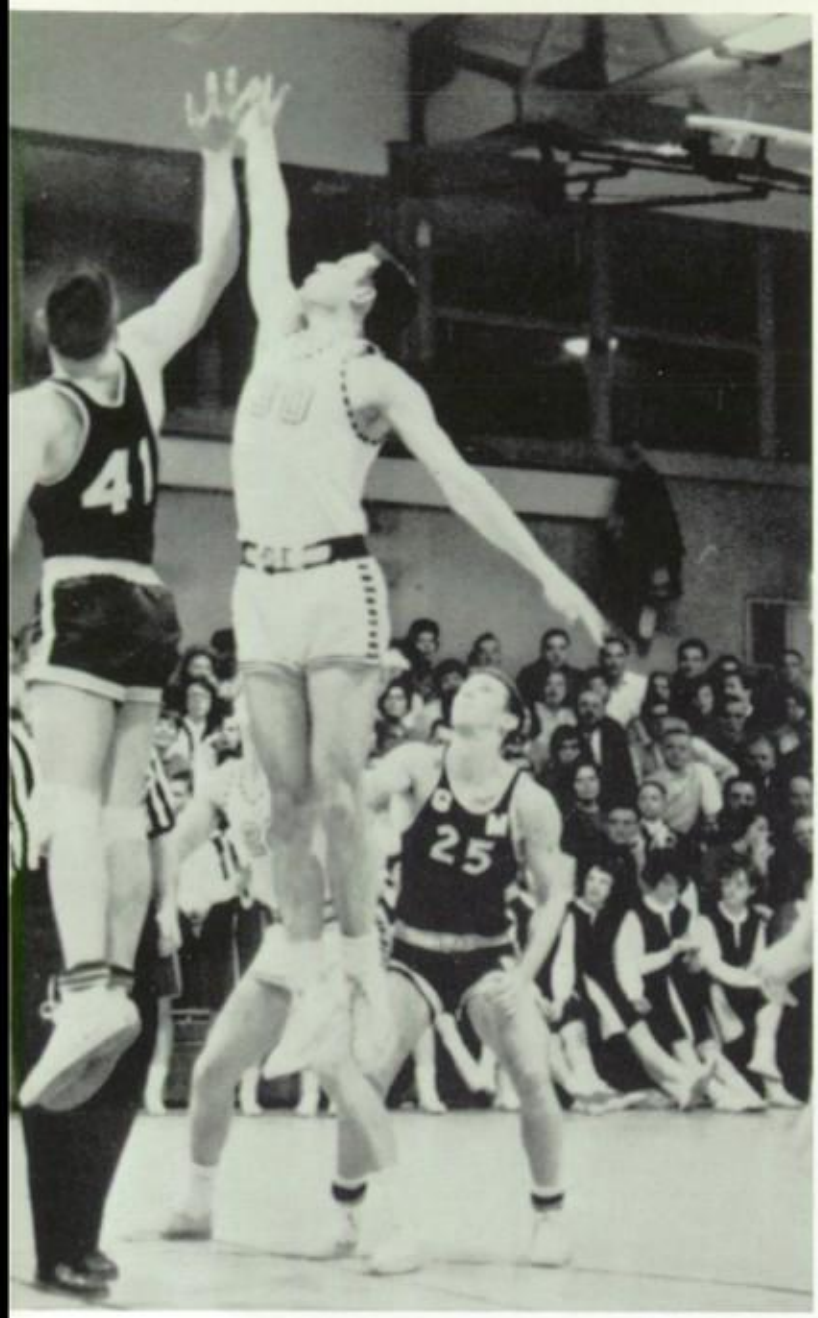
All these fads of fashion helped create a special imprint on the times, to make it the year that was.



. . . Collegiate Attire

Sports Lay Path To . . .

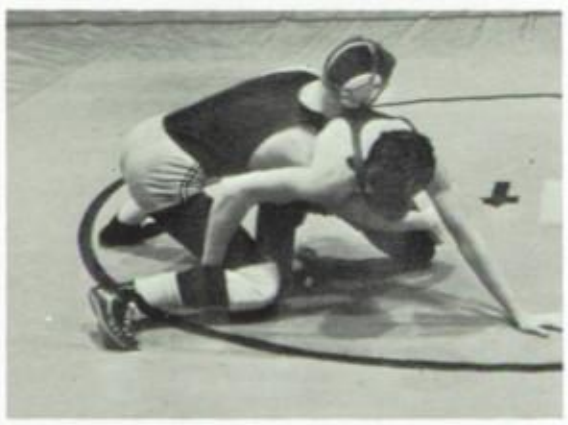


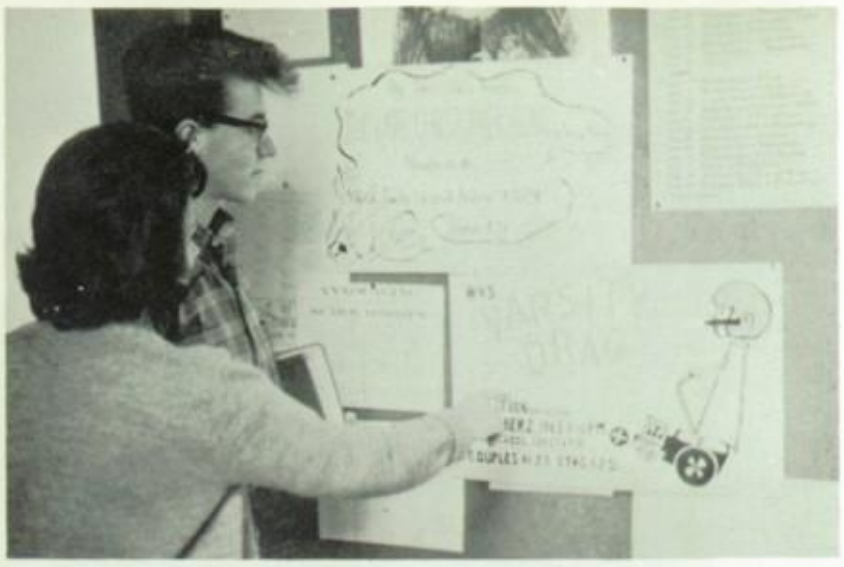


. . . Physical And Mental Fitness And Good Sportsmanship.

Football, hockey, basketball, swimming, track, baseball, and tennis easily met all the requirements of an effective physical fitness program that year. However, the end result included more than the development of bodily strength. The qualities of fair play, sportsmanship, responsibility, leadership, and a healthy regard for others accented all sports.

Each participant entered his preferred sport because of his desire to play or his will to win. To this were added speed, power, thought, and training. The outcome was the priceless lesson in cooperation and the subjugation of individual glory for group success.





Year's Activities Set Stage For Students' . . .

. . . Success, Fun, And Learning.

That year that was full of tests, research papers, football and baseball games, and homework also contained plays, assembly programs, concerts, club activities, and pep rallies.

Setting the stage for countless hours of enjoyment, these activities gave each student the opportunity to express his thoughts and to display his talents. However, they also educated all their participants. Leadership, responsibility, and respect were the qualities which everyone learned.

For many of these performances, the characters were awarded school letters, charms, or certificates; but the real awards were hearing the applause from an appreciative audience, or the wonderful satisfaction from a job well done.

Regardless of the award, these activities helped to contribute to the year's success.

BUILDING PLANS MATERIALIZE. These plans for the new addition to Muhlenberg were released in early December, 1963.

Board Of Education And Authority Form School's

Chairman:
MR. LESTER KAUFFMAN

This year, Muhlenberg's Board of Education molded all the necessary "bricks of planning" for the new school. They managed and supervised each vital decision which included awarding contracts to construction companies, and deciding the arrangement and design of the new addition.

However, this was not their only task. Though very seldom recognized or congratulated for their efforts, the board maintained a direct control over all school functions and policies.

The Muhlenberg Township Authority advised concerning the financial matters for the school district.

AUTHORITY BOARD MEETS: Mr. Arthur C. Melick, vice-chairman, explains a bill during an Authority Board meeting. From left to right the members are: Mr. W. Lauer Huyett; Mr. Daniel Rothermel, solicitor; Mr. Harold A. Stoudt, secretary; and Mr. John D. Fox, treasurer.

A Devoted Pillar Of Strength Passes

Policies

WHEREAS, it has pleased Almighty God in His infinite wisdom to take from our midst the soul of our beloved friend and long time associate Mr. Matthew A. Rohrbacher, and

WHEREAS, Mr. Rohrbacher was a member of the School Board of Muhlenberg Township for eight years (1955-1964), and served as Vice President, President, and Treasurer, and

WHEREAS, he was held in high esteem in Muhlenberg Township and Berks County as a respected businessman for many years, yet he gave unstintingly of his time and efforts to promote and support any activity which might make his community a better place in which to live. He spent many dedicated years in the service of his community, especially in the interests of the youth of the township.

THEREFORE, BE IT RESOLVED that we hereby express our appreciation for his faithfulness and devotion to the work of the schools and his untiring efforts toward community improvement, and that we convey, through this resolution, our deepest sympathy to his widow and children who survive him, and that this resolution be made a permanent record in the minutes of the Muhlenberg Township School System and that a copy be sent to the Pennsylvania School Directors Association.

NEW DAY BEGINS. At the start of each new day new problems seep into his work.

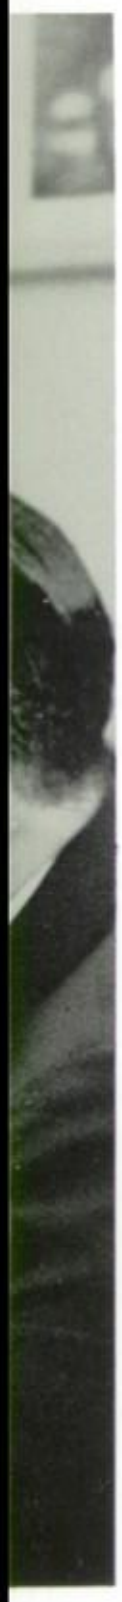
NEW POSITION FILLED. Mr. Robert Shipe was appointed to fill the new position of Administrative Assistant.

ASSISTANT AIDS SUPERINTENDENT. Mr. Shipe points out a questionable part in a contract.

By accepting the title of Superintendent of Schools, a great deal of responsibility was placed upon the shoulders of Dr. John W. Khouri. We, the students of Muhlenberg, have been fortunate to have a man such as Dr. Khouri, a man who realizes the requirements of his job and who fulfills these requirements with expert understanding, as our guiding light.

Are Supervised By Dr. Khouri

LIGHTER MOMENTS ENJOYED. Dr. Khouri's entire day is not all hard work and many of his phone calls add humor to the day's work.



Aiding this qualified individual is Mr. Robert D. Shipe, who also sets high ideals for his goal. Mr. Shipe, formerly principal of C. E. Cole Junior High School, possesses a strong educational background for controlling the demands of his new position as Administrative Assistant.

CONCENTRATION IS NECESSARY. During a telephone conversation Dr. Khouri finds it compulsory to think for a moment.

SECRETARY FILES REPORTS. Being secretary to Dr. Khouri is a busy job, but Mrs. Clara Oxenreider tackles her work with a great amount of efficiency.

Determination and a set goal were among the many things which enabled Mr. Kermit H. Schmehl to achieve the position of high school principal. Unknowingly exercising his high ideals of cooperation, honesty, and efficiency, he has set leadership examples and raised Muhlenberg's standards. Mr. Schmehl earned the position he presently holds by obtaining a Ph.B. at Muhlenberg College and an M.S. from the University of Pennsylvania.

Although an assistant principal position was not established for the 1963-64 term, Mr. Schmehl did rely on his secretary, Mrs. Ethel Shaner, for all of his clerical work.

M.T.H.S. Benefits From Ideals Of . . .

CALLS ARE FREQUENT. Frequent telephone conversations are a vital part of his day's work.

FILING NEEDS ATTENTION. Sometimes due to a very busy schedule papers are not immediately filed.

TIDINESS IS NECESSARY. Mr. Schmehl clears his desk while awaiting the arrival of a business acquaintance.

SECRETARY HELPS PRINCIPAL. Mrs. Ethel Shaner observes as Mr. Schmehl points out some changes he would like her to make.

CAFETERIA SERVES YOUNGSTERS. Unknown to many students, the cafeteria not only serves them but also the grade school children who attend Rosedale.

. . . Maintain A Functioning School

"To function properly a body must function completely. If just one part is not working, the whole construction may collapse."

Many people do not realize that if the cafeteria staff, the bus drivers and the school nurse and doctor would fail to do their jobs, our school would suffer greatly, and so we salute you, administrative aides!

Completing the strong background of education and learning, the secretarial staff and the custodians worked, so that the students would have the proper assistance and support while in school.

Aside from their many clerical and secretarial duties, the secretaries took care of student communications with the administration, the publication of the daily bulletin, admitting tardy students, and managing the lost and found department.

Clerical Work Plus Service In Various Fields

MR. RAYMOND ENDY
Attendance Officer

The custodians set the stage for all school activity. Assuring everyone of a tidy classroom when he walked into it in the morning and maintaining and looking after the heating, lighting, and other facilities were their chief assignments. They were never too busy, however, for a smile or a friendly word to a passing student.

With the current affairs of the day, the contributions and assistance of these devoted persons often went by unmentioned, but certainly not unrecognized.

LITERATURE CHALLENGES STUDENTS. While studying *Macbeth and Emperor Jones,* Mr. Glenn H. Woods stresses the importance of concentration.

Preparing for the world of tomorrow, the teachers of the English and language departments strive to equip their students with the vital knowledge of how to clearly express themselves and to understand and appreciate the other peoples and cultures of the world.

All this was accomplished through intense study of English, journalism, and literature, a fine background of the classical languages, and the probe into the conversation, customs, and lives of the German and Spanish speaking countries.

Learning from his mistakes and acquiring the vast knowledge of these carefully planned and executed studies, the student can feel free to go out into the world and add his link to the never ending chain of progress and development.

ENGLISH TEACHER EXPLAINS. Mrs. Demaree pauses to smile between explanations.

Success Of Tomorrow

TWO LANGUAGES TAUGHT. While explaining conjugations, Mrs. Annette Marth points out the difficult spots.

GERMAN INSTRUCTOR ADVISES. Mr. Wilbert Wollenhaupt corrects a mistake made by one of his students.

CLASSIC LANGUAGE STUDIED. Mrs. Marjorie Wagner points out to her pupils the different genders of some verbs.

Logical thinking and exactness in measurements were the results of the science and art classes at M.T.H.S.

Because science is an ever-changing subject, as a result of new theories and laws, academic students who probe into the depths of the science world have to adapt themselves to the idea that what they are studying presently might be entirely disproved in the near future.

Students taking home economics or industrial arts have a chance to experiment in these fields and see if they would prefer to continue in this line after they graduate. As a result of this early preparation, hidden interests or talents may be developed and provide the student with the necessary qualities needed for a happy and full life.

PERFECTION IS REQUIRED. Mr. Quentin R. Keath stresses to his mechanical drawing classes how important just a fraction of an inch is in a blueprint.

Mr. Donald N. Delp: B.A.—East Stroudsburg State College, M.Ed.—Temple University; Health, Physical Education, Adult Education; Boys' Intramural Sports Director, Boys' Bowling Club, Head of Health and Physical Education Dept.

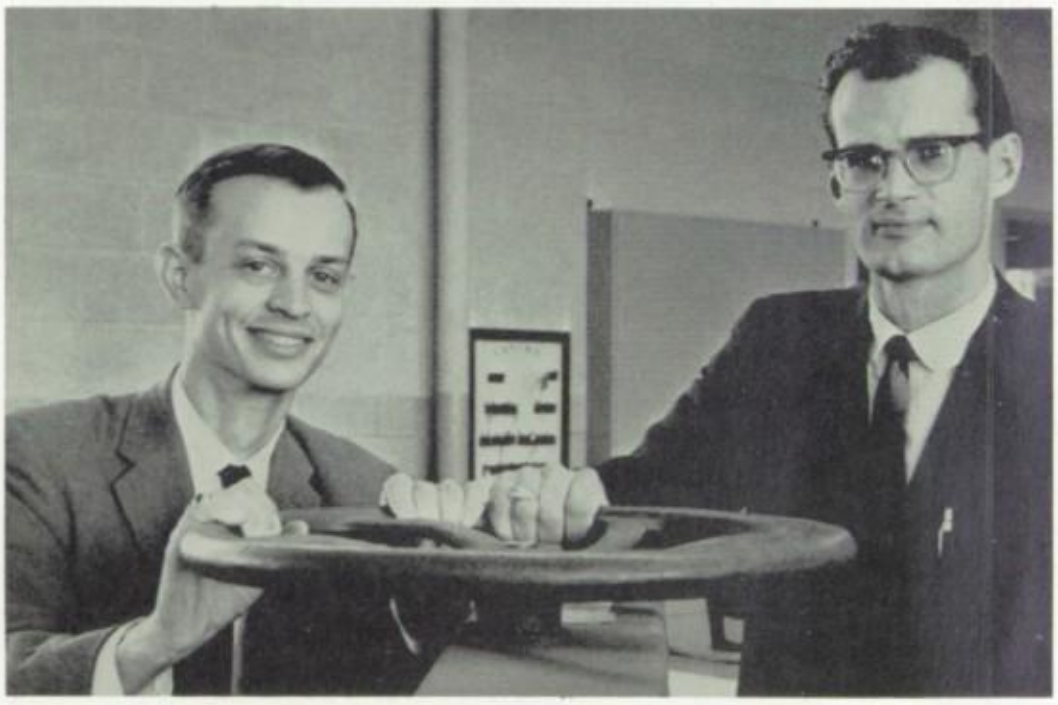
SCIENCE DEVELOPS MINDS. Mr. Myron F. Boyer is explaining to Mr. Robert N. Stickles and Mr. Matthan Sell the tactics he used while instructing his biology classes on the eye.

. . . Students' Hidden Talents

PHYSICS REQUIRES EXPLANATIONS. Involved in a group explanation, Mr. Claude Spancake clarifies a question asked by one of his students.

HOME ECONOMICS PREPARES. While preparing her students for future life, Miss Dorothy J. Boyer supervises one of her cooking classes.

MUHLENBERG EQUIPS TEACHERS. Mr. Robert F. Bukowski and Mr. Olin R. Marth take a breather from their industrial arts classes and discuss a piece of equipment.



ART BUILDS CREATIVENESS. Mr. Ronald L. Rhode explains to his art students that the head must be in proportion to the rest of the drawing in order to look real.

To make a mark in the world today, a person must be well versed in many fields. The knowledge which he retains in his mind must range from the information necessary for his career to the varied activities he will pursue.

To send us into the world prepared to accept these oncoming responsibilities the teachers of Muhlenberg train our bodies so that we will be able to handle the knowledge presented to us.

HEALTH EDUCATION STRESSED. Mr. David A. Walls explains the skeleton system to his health classes.

ENGINE PROVES INTERESTING. Mechanical knowledge is expressed by Mr. Donald L. Fetterman as he explains the fundamentals of the engine.

GYM IMPROVES STATURE. By exchanging ideas, Miss Mary Jane Delp and Mr. Donald N. Delp feel that they will be able to improve the physical stature of their gym students.

Contribute Heavily To Development

QUIETNESS IS MAINTAINED. Not only does Mrs. Mary Jo Winings stack books, but she also helps the students with their research work.

MUSIC DEPARTMENT CHALLENGES. Miss Alta H. Horton and Mr. Henry F. Hoffman, Jr. examine a score of music which will be used during the competition for Show Band positions.

Sound reasoning and a thorough knowledge of life and its problems were the outcome of the mathematics and social studies classes at Muhlenberg.

Not only was the past reviewed but current affairs such as the Cuban situation, space exploration, and the Kennedy tragedy were explored and discussed in detail by the history student and his teacher.

In the mathematics department the main challenge with which the student was faced was being able to think and reason for himself. With this priceless accomplishment the student was equipped to step into the complex world of tomorrow with confidence.

Learning from the mistakes of his ancestors and applying his own thoughts, he is now able to overcome his problems.

HISTORY COURSES EXPAND. Mr. Leroy K. Seip explains that in a history course current events are also very important.

Mathematics And Social Studies Develop Thought . . .

GROUP EXPLANATIONS AID. By combining their thoughts, Mrs. Bonnie B. Price, Mr. Natale DeLuca, and Mr. Robert Lauser figure that they will be able to present a better explanation of history.

We, the 1964 class of Muhlenberg Township High School, will always remember the host of friendships and the numerous school and class activities which were experienced during our six years of secondary schooling.

Now that we are drifting away from the idea of using our superiors as crutches, we endured many tasks and found ourselves facing the great number of heterogeneous decisions.

As you continue through the following pages of this section, see if you recall the named events.

In September of 1958, the members of the 1964 graduating class found themselves meeting the new faces of their fellow classmates.

Seventh grade was a new experience for all. We no longer had recess, lunch period became shorter, and the changing of classes became a part of our everyday school life.

Elvira Goglinzza

Ah, eighth grade, no longer were we the underdogs. The time for our first big important decision arose. We selected the course that would prepare us for future goals.

After a long two year climb we reached ninth grade. Now the "top brass," we were on our way to achieving our ultimate goal—graduation.

At last we were seniors and from the first to the last day of our big year, we encountered many new and old challenges.

The year started by our selling publication tickets. Then followed the class play, "The Late Christopher Bean," held on November 15-16, 1963.

On May 22, 1964, we journeyed to Washington, D.C. for our class trip and on May 14, 1964 we observed the glory of "class day."

LINDA YAKIMO RECEIVES comforting words from Darryl Conner.

Nine seniors made up the cast for the senior class play, "The Late Christopher Bean." Under the direction of Mr. Thomas Terefenko and Cynthia Spohn, student director, the play was presented on November 15 and 16, 1963.

The play was based on sudden valued paintings by the late Christopher Bean which were left to Dr. Haggett and Abby, maid of the Haggett household.

Because these paintings were the only ones in existence, two swindlers, Rosen and Tallent, attempted to take the paintings. With the climax coming near, it was discovered that Abby was the widow of Christopher Bean and in turn received all the paintings and a treasured possession, a portrait of herself painted by her late husband.

JOHN HART TRIES to outsmart Gerald Bonanno.

Assembly Reveals History In Humor

On May 14, 1964, seniors presented their final assembly program. Based on the class history, the program was composed of the presentation of personal awards, flash backs, senior Mixed Chorus members, color guard, senior cheerleaders and majorettes, and re-enactments of scenes from both class plays. M.C.'s for the occasion were John Hart and Scott Meyer.

To climax the program, cheerleaders and majorettes joined together to do a special cheer for the seniors which was followed by assembly cast members' filing onto the stage to sing the Alma Mater as a farewell.

Juniors Climb Ladder Of Learning

Returning as juniors in September, 1963, the Class of '65 found itself a step higher on the ladder of education.

Faced with new subjects, students discovered that what they learned had practical applications. In preparation for the future, academics poured through college catalogues and bulletins, took College Boards and the National Merit Scholarship Examinations, while commercial girls learned the techniques necessary for clerical work and industrial boys prepared for technical training.

Socially life also became more exciting for the Class of '65. Heading the field of calendar events was the usual round of sweet sixteen parties, the Junior Class Play and increased participation in activities.

Being older and supposedly wiser, juniors found themselves faced with more freedom, being confronted as young adults rather than children. Pressed by both friends and parents to be part of the group, they lived during a time of confusion and conflict. Meanwhile, the adult world wrestled with the problem of changing teenage morals and whether this new freedom was wise or foolish.

Desire For Versatile Students Fulfilled In '64

Physical fitness was a vital part of 1963-64. Emphasis on calisthenics and athletic participation for all was stressed by Bud Wilkinson, head of the President's Council on Youth Fitness, and many noteworthy sports figures.

Junior girls as well as boys displayed their talent on the field and playing floor of Muhlenberg. Athletic participation became an important part of school life and a welcome break from academic matters.

Encounter New Experiences

Upon entering his first year of senior high, a sophomore leaves behind his childish ways and becomes a man who is responsible, energetic and mature enough to cope with his new problems. As he progresses further in his education, more is expected of him as a student. He takes the initiative in electing his class officers, colors, and motto, which establish the foundation of the class. The tenth-grader also engages in many activities such as intramural, and varsity sports, games, clubs, and dances, especially in March as he sponsors the Soph Hop. Highlighting this thrilling year, the sophomore proudly receives his class sweater.

Looking to the future as their guiding star, the sophomore class climbs higher up the ladder of education, striving to attain achievement in whatever vocation they pursue. It is not an easy climb, but with a common purpose in mind and the determination to carry it through, they will follow the path to success. Along this path they shall encounter many new experiences and acquire bounteous sources of knowledge as they are guided by their class officers, Tullio DeSantis, president; Kenneth Lyons, vice-president; Cynthia Stovall, secretary; Richard Althouse, treasurer; and Doris Miller, historian.

Referring back to the years 1963-64, the class will remember many events of their sophomore year. The girls might recall the styles of the year to be bulky mohair sweaters and loafers. Long hair came back to create the chic look. As for boys, suede jackets were popular.

Dealing with current events, the city of Reading elected a Republican mayor and officials. On the national scene the slaying of our thirty-fifth president, John F. Kennedy, shocked the world, and civil rights demonstrations left a deep impression on everyone's mind.

N. Y. Co. Films "Ninety-First Day" At Muhl

Classroom, office, and stage scenes were filmed at Muhlenberg High School on July 1 and 2 by a New York Company for a picture entitled, "The Ninety-First Day."

The movie revealed the struggle of a music teacher, Loren Benson, portrayed by Pat O'Neil, who goes insane because of his retention in high school as a music teacher instead of fulfilling his lifelong dream of being a musician in Toscanini's orchestra.

Although the main parts of the cast were filled by actors and actresses from New York, students from Mr. Albert Leader's and Mr. Harold Stefl's summer school classes participated during the commencement, classroom, and office scenes.

Other portions of this picture were filmed at Wernersville State Hospital. Muhlenberg High students were able to view themselves on television since the picture appeared on November 4, 1963 on Channel 12.

"ARE YOU ROOTING for the boys?" shouts Filomena Rodino during the Muhlenberg-Mifflin game.

"WHEN YOU'RE UP against Muhlenberg, you're upside down!!" shouts the varsity squad as they display their skills.

"GO, GO, GO!!!" exclaims an unidentified cheerleader as she roots for the Muhls.

RIVALRY IS LESSENED as the friendship cheer is executed by both J.V. squads.

Peppy Cheerleaders Enthuse

Cheerleaders incite vim, pep, and vitality into football and basketball games.

For the first time in the history of Muhlenberg the title of "Yell Queen" has been shared by two girls. Linda Brown ignited the fans through the football season, while Dorothy Skrocki kept the crowd hot for victory during the basketball season.

The spirited J.V. cheerleaders, headed by Jane Gockley, inspired the exuberant onlookers and gave the J.V. team beneficial support as they won the county championship against Fleetwood.

A very important addition to both squads was their new uniforms which they received in time for the basketball season. Also a special tribute is made to their mascot "Moochie" who presided at both football and basketball games. Mr. Henry Hoffman is the adviser to the cheerleaders.

"NOW LISTEN MY children and you shall hear!" exclaim the cheerleaders with great vigor.

"M-U-H-L-E-N-B-E-R-G, MUHLENBERG FIGHT!" shouts Mary Wilson as the grid game becomes more intense.

"GO, MUHLS, GO!!" screams Eileen Stitzel as she cheers on the Muhl "gridders."

"LET'S GO, MUHLS, we want some action!" exclaims Linda Brown, football Yell Queen, as she peps up the team.

"F—I—G—H—T, FIGHT TEAM!" shouts Linda Kauffman as she cheers the Muhls to victory.

ATTENTIVE JUNIOR VARSITY squad, Linda Herbein, Christine Pfennig, Jean Adams, Jane Gockley, captain, Barbara Peskosky, Judith Boyer, Carol Santoni, observe the "Baby Muhls" exhibition.

"WE WILL WHAT?—Beat Mifflin!!!" shouts the varsity cheerleaders as they urge the team on to victory.

"GET THAT POINT," shouts Marie Knutson as the "gridders" go for the extra point after their touchdown.

Teams And Spectators

"COME ON, BOYS, let's beat that team!" chants Dorothy Skrocki, basketball Yell Queen, during a time out.

"WE WANT MORE!" is the cry exhorted by the pep leaders after the Muhls score a touchdown.

"COME ON, MUHLS, let's skin 'em alive!" screams the J.V. cheerleaders as they perform in a pep rally.

THE FINALE OF the Majorette Show ends with the salute of the flag and the singing of the Alma Mater.

Talent And Versatility

TALENTED MAJORETTE LEADERS: Marcia Ellingsworth, Feature Majorette; Holly Knepp, Flag Leader; Linda Fairchild, Feature Baton Majorette; Peggy Oxenreider, Field Marshal; Lyndell Reber, Senior Baton Leader; Mary Sekella, Band Majorette; and Linda Haeseler, J.V. Leader.

Red Lion Twirling Jubilee, a twirling clinic held at Red Lion, Pennsylvania, June 25-29, was the summer scene for the Muhlenberg Majorettes as they refreshed their drilling and twirling skills. Learning new stunts and routines was also on the agenda for this feminine marching group.

Skilled and ready, the majorettes enlightened the football games both home and away. Their fine performances are results of long, hard practice and able supervision by their director, Mr. Quentin Keath. At a grand showing in the Majorette Assembly, the whole unit finally had a chance to perform in their newly purchased uniforms.

This was the last year of pre-show jitters for the following seniors: Peggy Oxenreider, Field Marshal; Mary Sekella, Band Majorette; Marcia Ellingsworth, Feature Majorette; Lyndell Reber, Senior Baton Leader; Judith Kohl, senior baton twirler; and Holly Knepp, Flag Leader.

The perfect co-ordination and team work exemplified by this marching unit, combined with fine leadership and long training are the true reasons why Muhlenberg's Majorettes hold such a high rating.

COLOR GUARD STANDS at attention: Joan Yeager, Carol Gehrke, Judith Dresher, captain, Judith Leisey, Linda Kitchens, Carol Hiester, and Bonnie Beaver.

HIGH-STEPPING MAJORETTES march to Muhlenberg's side during pre-game show.

UNIDENTIFIED MAJORETTES LINE up in preparation for their half-time show.

PEGGY OXENREIDER, FIELD Marshal, surely has courage, as she twirls two fire batons instead of only one.

THE HAPPY EXPRESSION of Mr. Quentin Keath shows his approval of a job well done by his majorettes.

Show Band Provides Entertainment For Various Events

THE SHOW BAND musicians are, left to right: Jack Williams, James Fredericks, Larry Schmidt, Lee Phillips, Gary Becker, Marie Knutson, Dennis Kenee, Steven Pratt, John Grill, William Owen, David Moyer, David Roland, Robert Dewalt, Paul Reichenbach, Glenn Yeager, Richard Hoffmaster, Lolita Eberly, and their director, Mr. Henry Hoffman. Missing musicians are Lee Reiniger and Jeffrey Hammond.

STUDENTS ARE INSTRUCTED on the use of the voting machines.

STUDENTS WAIT TO cast their votes for president and vice president of Student Council.

The Student Council, under the advisership of Mr. William Abramowicz, works throughout the year trying to better the school.

There are three main projects which are sponsored by Student Council — The Holly Hop, the card club, and the selling of programs at football and basketball games. During the summer, active members work to gather the needed materials and ideas for the Council's programs in order that everything is ready in September.

In the beginning of the year, Student Council members from all over Berks County meet at the Student Council Convention where they discuss their problems and share their money-making ideas. Every year a different school is host to this conference. This year Reading High School was the host.

STANDING LEFT TO right are Student Council officers: Darryl Conner, president; Donna Schmehl, secretary; and Ronald Zygmunt, vice president.

Chorus Performs For Assemblies, And Concerts

Each year at occasions such as the Christmas Assembly, Easter Assembly, Spring Concert, and special church services, the Muhlenberg Mixed Chorus, under the direction of Miss Alta H. Horton, has displayed its vocal talent.

The members of the Mixed Chorus are selected for their vocal talent and they represent the tenth, eleventh and twelfth grades.

The Mixed Chorus can be heard every Tuesday and Wednesday morning from 7:30-8:30, at which time they practice for all their programs which take place during the year.

While the Mixed Chorus supplies music for concerts, the Muhleteers and Muhlaires, the boy group and girl group, respectively, perform for social events in the surrounding area, assemblies and concerts.

"CLIMBING UP THE Mountain" is sung by the Muhleteers during a church service.

Hi-Y Is A Growing Service Organization

The largest service organizations of Muhlenberg are Y-Teens, Hi-Y, and Horizon Club. These clubs were formed to support the school, attain spiritual development, and to achieve adulthood for their members.

These organizations sponsor many activities throughout the year such as: The Y-Teens' Fashion Show and Spaghetti Supper; the Hi-Y's Varsity Drag, and the Horizon Club's sewing projects. These undertakings and helpful actions are examples of loyalty, consideration, assistance, and sincerity, which merit our lasting appreciation and gratefulness.

HI-Y OFFICERS ARE from left to right: Jeffrey Wolfe, Ronald Zygmunt, Jack Lattemann, Jack Williams, and Larry Yentsch.

Future Teachers of America, a club designed to acquaint its members with the teaching profession, provides its members with various activities. F.T.A. members visited Kutztown State Teachers College and sat in on a class. The annual Christmas Tea was also part of the group's activities. Mrs. Frances Rank is adviser.

By participating in the United Nations Club a political science student can receive a better understanding of world problems and functions of the United Nations. Some students attended a Model U.N. Conference at Albright College and gained an understanding of U.N. proceedings. Advisers of the U.N. Club are Mr. Ray Weitzel and Mrs. Bonnie Price.

Members of the Debating Club vigorously argued against opponents from Hamburg and Schuylkill Valley on the controversial subject of trial by jury. Under the advisership of Mr. Weitzel and Mr. Natale Deluca, the club attained recognition in many areas.

Club Members Obtain Background For Future Occupations

Tomorrow Today

Future Business Leaders of America members are commercial students in the tenth, eleventh, and twelfth grades who meet with their adviser, Mr. Joseph Butz, to develop competent, aggressive business leaders, to strengthen the confidence of young men and women in their work and in themselves, to create more interest and understanding in the intelligent choice of business occupation and to improve and establish standards for entrance into store and office occupations.

Future Scientists of America members under the guidance of Mr. Myron Boyer, biology teacher, select a different subject every month and then for the following weeks have discussions, films, and speakers on the selected topic.

JUDITH DRESHER, PRESIDENT of Future Scientists of America, discusses the posters on the bulletin board.

Students Receive For Aca

This year, for the second time, academic awards were given to students excelling in academic subjects in grades ten, eleven, and twelve. Each winner received a blue blazer with the school emblem on the pocket. To win a blazer, the student had to have the highest average in a subject. The average was tabulated by averaging his classroom grades and the grade he received in a special test on that subject. Four boys and four girls, a boy and girl for each subject, in each grade received the awards.

The '63-'64 publication of the *Observer* took on a new appearance. Ads were written by students and were made larger. Pictures and "cuts" were also used in ads, if the advertiser wanted them. The biggest change was that its size was increased from four to six pages. This increase brought in a lot of extra and hard work, but after long hours of determination on the part of everyone the *Observer* came off the presses in time for the publication dates.

Third In West

With Mr. Robert Steinmetz at the helm, the 1963-64 edition of the Muhlenberg basketball team recorded a fine 16-6 overall record.

Led by Danny Calabria, Berks County Point Champion, the Muhls posted an 11-5 Western Division mark, good enough for third place.

Calabria represented Muhlenberg on both the Reading *Eagle* and the Reading *Times* All-Conference teams, while Tim Braun placed on the *Times* All-West team.

Braun and Richard Reeser were the only seniors on the team. Calabria, Barry Rapp, Kerry Reppert, Fred Snyder, Larry Yentch, Roger Schmidt, Kent Weitzel, Michael Nye and Bobby Haddock all return to do battle next year.

J.V.'s Annex County Crown

Under the able leadership of Mr. Paul McLaughlin, the 1963-64 edition of the Muhlenberg J.V.'s annexed the first Berks County Championship in the history of the school.

The fine starting five consisting of Jim Pizzo, Ken Manwiller, Terry Rhodes, Dave Smith, and Ken Lyons were both well balanced and consistent.

Finishing with a 20-2 overall record, the Baby Muhls lost to Lancaster Catholic, 62-57, in non-league warfare and to Wilson, 38-37, in league competition.

They faced Fleetwood in the post-season play-off for the County Crown. Pizzo, with 21 points, led the blue and gold to a 55-49 victory.

Throughout the entire season, it was the fine generalship of Terry Rhodes and the scoring abilities of Smith and Pizzo which made this J.V. team in the words of Coach McLaughlin "without a doubt the best ever."

Although the 1963 Muhlettes' hockey team didn't run away with all the laurels, they did acquire their share.

Winning or losing, the girls kept their spirit and philosophy of being a good sport.

Miss Mary Jane Delp coached the girls through endless hours of practice and pointed out to them that a well-balanced diet was essential.

The squad experienced many tough decisions that were made in a split second and always showed wonderful team work.

Refusing to quit after their first defeat, the Muhlettes brought home a 5-4-1 record. This put the team in second place for the central division.

Although five members of the team will be lost through graduation, there will be six experienced players returning for next year's varsity squad.

Eight Starters To Return

1963, a year of high expectations and overwhelming ccnfidence, turned into the first winless campaign ever recorded by a Muhl eleven. For Mr. Moll, it was his first and perhaps final year on the coaching scene. It is regrettable that Robert Griesemer, Paul Weidner, and Keith McLaughlin, the seniors this year, had to end their careers on such a sour note.

With eight underclassmen returning to claim their starting positions, all concerned with football at M.T.H.S. can't help but again feel confident toward next year's club.

The one bright spot of the past season is the tremendous job turned in by Sophomore James Pizzo. For his efforts, James was awarded a position on the All-County second team.

FLEETFOOTED JIM PIZZO darts down the sideline for a substantial gain.

BARRY RAPP HAD what it takes to be a good football player. That is simply desire.

A GROUP OF determined linemen gather around Coach Jerome Kochinsky for pre-game instructions.

IT IS EASY to be a good winner, but as a constant loser life can be miserable.

THE TEAM LISTENS intently as they discuss their weak points among themselves at the halftime rest.

OPEN WIDE, PATTY! Patricia Snyder shows her enthusiasm for basketball by her facial expression.

Muhlettes Share

This year, under Coach Mary Jane Delp, the Muhlettes finished in second place in the Central Division.

During the season, Muhlenberg scored a total of 301 points, while her opposers totaled only 228. Leading the team in a victorious season were Collette Clark and Janice Oxenreider, averaging 14.5 and 14.6 points a game, respectively.

Graduation will cause a loss of only two girls from the team. They are roving players Holly Knepp and Gladys Shollenberger.

With star underclassmen returning next year, the Muhlettes should have an even better seasonal record.

Through many hours of practice, these girls developed their skills and accuracy, and should be commended for a job well done.

BEFORE THE GAME, Coach Delp asks if there are any questions.

COACH MARY JANE Delp checks her chart, contemplating who the starters will be.

MISS DELP TELLS the team about their mistakes at halftime.

GET IT, COLLETTE! After one of Holly Knepp's tricky passes, Mifflin is very confused, as Collette Clark lunges forward to receive the ball.

CONCENTRATION COUNTS! HOLLY Knepp gets ready to shoot a foul shot.

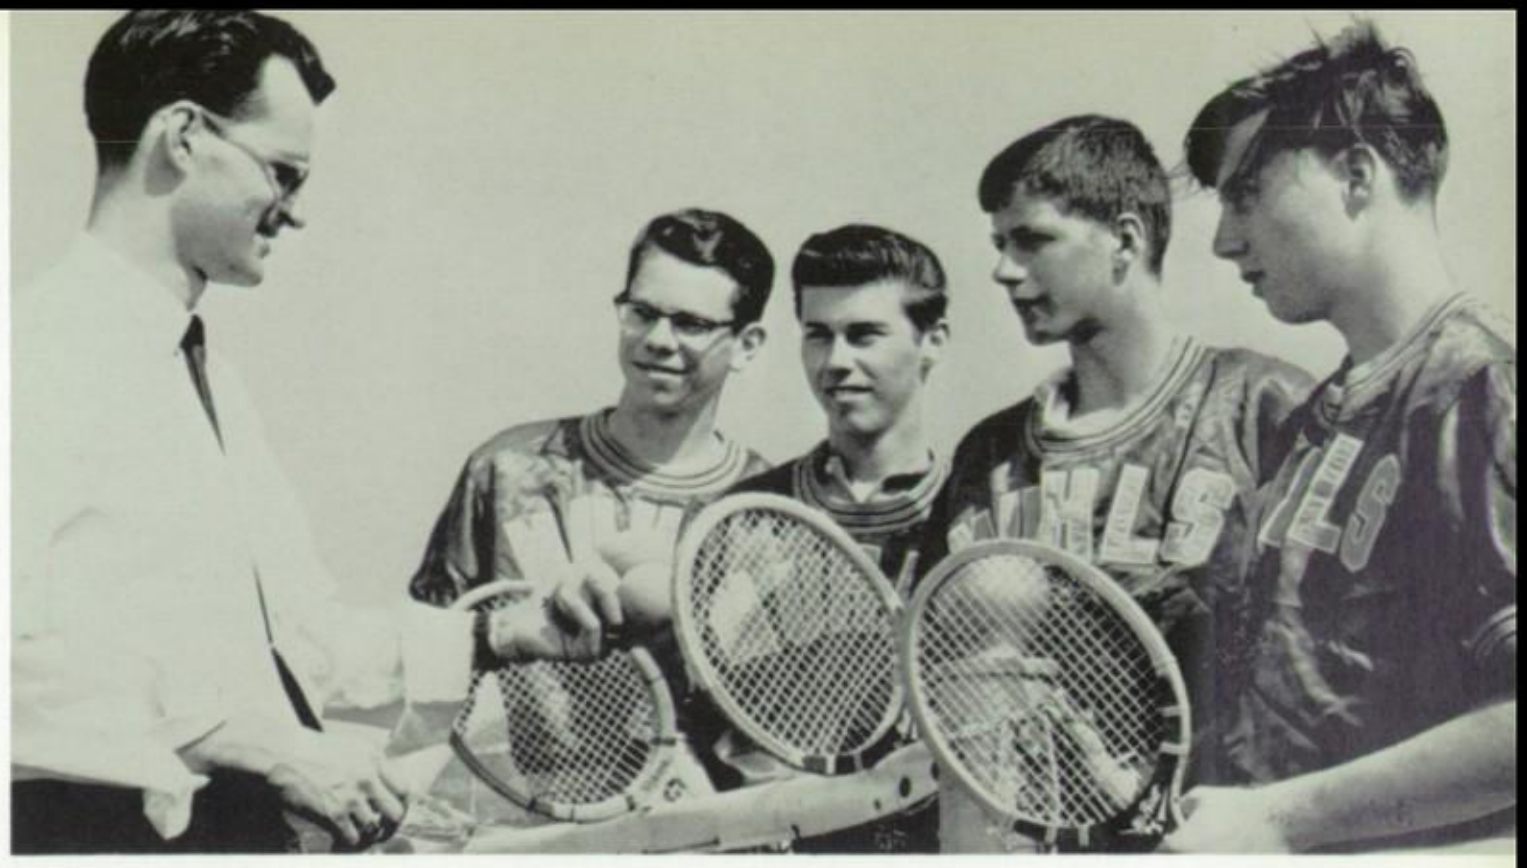
TAP THAT BALL is what the rest of the team is thinking, as Collette Clark jumps for the opening tap off.

ROBIN FIES AND Holly Knepp show their agility by guarding a Mifflin player very closely.

SMASH IT, JERRY! Gerald Dailey shows his skill by using a backhand swing when returning a serve.



COACH OLIN MARTH explains the game to Gerald Dailey, Dennis Kenee, Richard Reeser, and Robert Dewalt.

DENNIS KENEE DISPLAYS his ability with a quick twist of the wrist.

Netmen Better Last Year's Season

Once again a tennis season has come to an end.

This '64 season found the tennis team made up of eight members and in fourth place in their league.

Mr. Olin Marth, who has finished his eighth season as coach, described this past season as fair.

Jerry Dailey and Dennis Kenee won the Berks County Doubles Championship this year for Muhlenberg.

Through graduation, the four top men will be lost.

SMASH IT, DENNIS! Dennis Kenee shows split-second timing with a graceful backhand swing.

Harriers Snare 4-6 Slate

Muhlenberg's Cross Country team, which posted a 4-6 mark, was led by four seniors, Lee Reiniger, Tim Braun, Richard Reeser and Ingus Salks.

Reiniger, the captain of the Muhl distance men, was nothing short of sensational throughout the entire campaign. At the close of the campaign he held the course record at Daniel Boone, Wilson, and Mount Penn.

Lee held his own in the important meets in '63. He finished third in the Conference Run, fifth in the District 3 P.I.A.A. Run, and ninety-sixth in the Class A State Meet which was held at Penn State.

Underclassmen who did a tremendous job throughout the year were Daniel Calabria, Kenneth Lyons and David Annabelli.

Valuable Experience

After suffering the loss of many of the star grapplers last year, the Muhl matmen completed their fifth varsity season with a record of 0-9. These boys, under the guidance of Mr. Jerome Kochinsky, put in many hours of tiring practices, and should be commended for their all-out efforts.

Although the squad wasn't too successful, the experience gained by the underclassmen, who composed the squad, was valuable.

John Zuchowski and Michael Richards, senior freestylers, provided plenty of punch in the 100 and 200-yard events as well as relays.

With a large number of undetclassmen returning, the future looks bright at Muhlenberg for swimming.

JUDY KOHL SHOWS an expression of dismay while watching the game.

Compiling a six win, six loss record for 1964, the Muhl diamondmen, under the coaching of Mr. Leroy Seip, held the third place standing in the Northern Division.

Although the first half of the season was not as successful at it was hoped to be, the diamondmen ended strongly by winning their last four games.

Through graduation the Muhls will lose three pitchers, a short stop, and three outfielders. With this loss Mr. Seip will still have eight returning lettermen next year. His only worry for next year will be his pitching staff.

DAVID "CHIP" SMITH makes it to third on a hard hit ball.

Cindermen

Although the cindermen finished their season with no wins, Mr, Glenn Miller, coach for two years, said that the team had an excellent morale and a total of 175 hours of practice per individual.

Senior Lee Reiniger, outstanding distance runner, earned throughout the season a total of 55 points which would have enabled him to win a meet himself. Lee participated in the District Meet at Lancaster and earned himself a 5th place.

MR. DONALD L. FETTERMAN

Succeeding Mr. Lloyd L. (Scoop) Clemens as the district's athletic director last November, Mr. Donald L. Fetterman, in a short time, improved the sports program every way he knew how.

His affiliations with sports were many and varied. In 1963, Mr. Fetterman was chosen as Director of Athletics and on May 13, 1964 he was elected to the position of Tri-County Football League president. Also, he had served as commissioner for umpires for the Berks Scholastic Baseball Conference.

As a teacher he was a jovial, pleasant man who understood the young people of today. Whether in the driver training car or in the classroom, Mr. Fetterman made you feel welcome, at home, and relaxed.

. . . Director Of Athletics, Teacher, And Friend —

Mr. Donald L. Fetterman

Although he always had many things on his mind, his outward appearance was always very calm and collected.

Robert Reigner, sports writer of the Reading Times, said, "YOU DON'T REPLACE MEN LIKE DON FETTERMAN. YOU SUBSTITUTE FOR THEM." Mr. Fetterman died on May 21, 1964.

Mr. Lloyd "Scoop" Clemens

Muhltohi Salutes Mr. Clemens

Once called "the greatest coach Berks County has ever seen," Mr. Lloyd L. Clemens began his coaching and teaching career in 1927 at Ontelaunee Vocational School now known as Schuylkill Valley.

In 1942 he was named to the faculty of Muhlenberg High. One of the unique features of his career was that the first five teams he coached were champions. They were baseball in 1943 and soccer, baseball, track, basketball in 1944.

He coached basketball until 1948, and in the same year Clemens guided the "Muhls" to their first county championship in football, only three years after the sport's inauguration.

Clemens coached soccer, football, basketball, baseball, track, girls' softball (Diamond Lils), county champs for many years and tennis in the Berks Recreation League.

During the "war" years he had the full burden of having to coach all the sports at M.T.H.S. It was during these years that Muhlenberg had the unique record of winning close to 100 games of basketball while losing only ten.

In 1947 he was bestowed the high honor of being named "Coach of the Year" by the Reading Times. Mr. Clemens is not only a great coach, but is an even greater man, one which Muhlenberg can ill afford to lose. Mr. Clemens retired as director of athletics in fall of 1963.

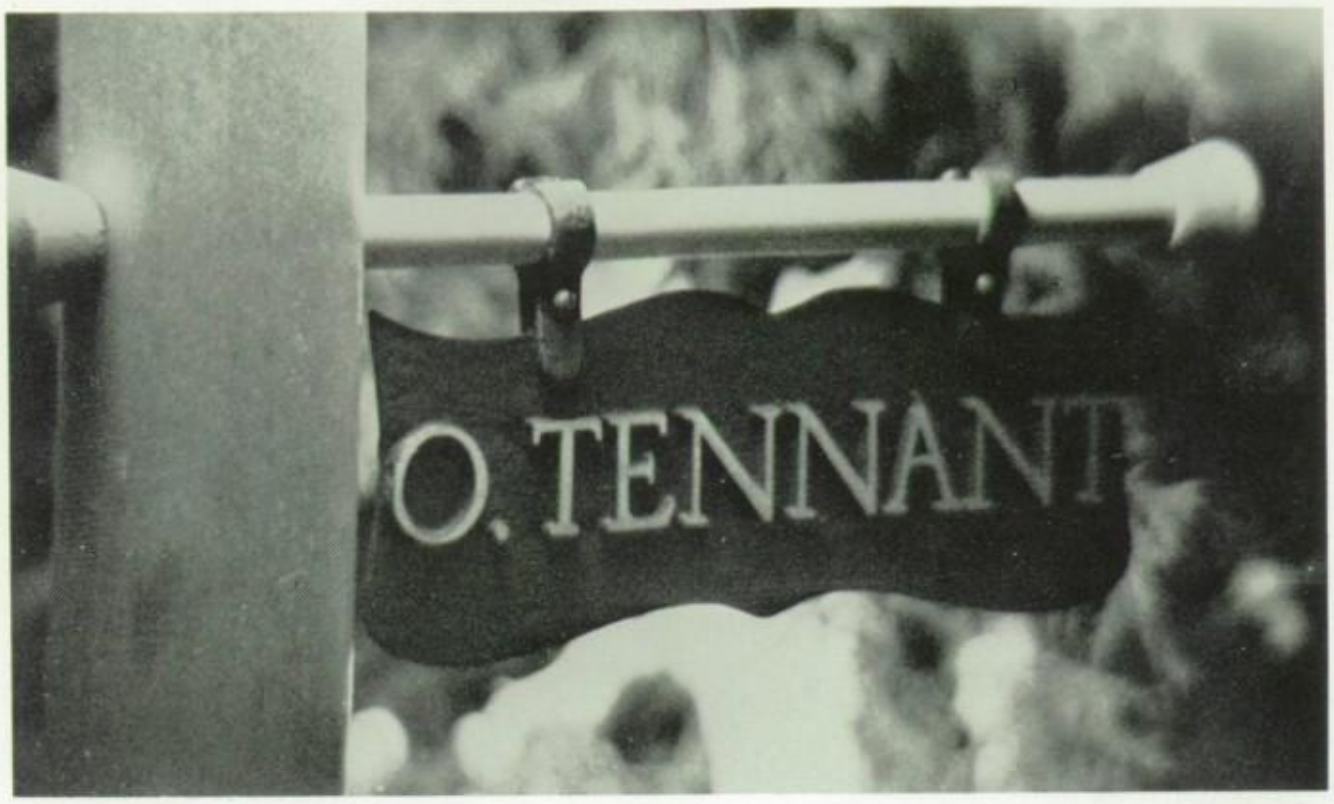
A day in the life of a Muhlenberg teacher holds many things—schoolwork, housework, relaxation, entertainment, and finally sleep.

The dedicated teacher is continually studying and pursuing knowledge so that she can better herself for the betterment of her students. This is the side of the teacher that is always in the spotlight. But, what about the human side?



A teacher is not merely a faultfinding machine. She cares for her home and all that it contains. She spends leisure moments with a devoted pet. She enjoys a much deserved rest.

We hope the story these pictures tell will enable everyone to realize that a teacher's work is never done.

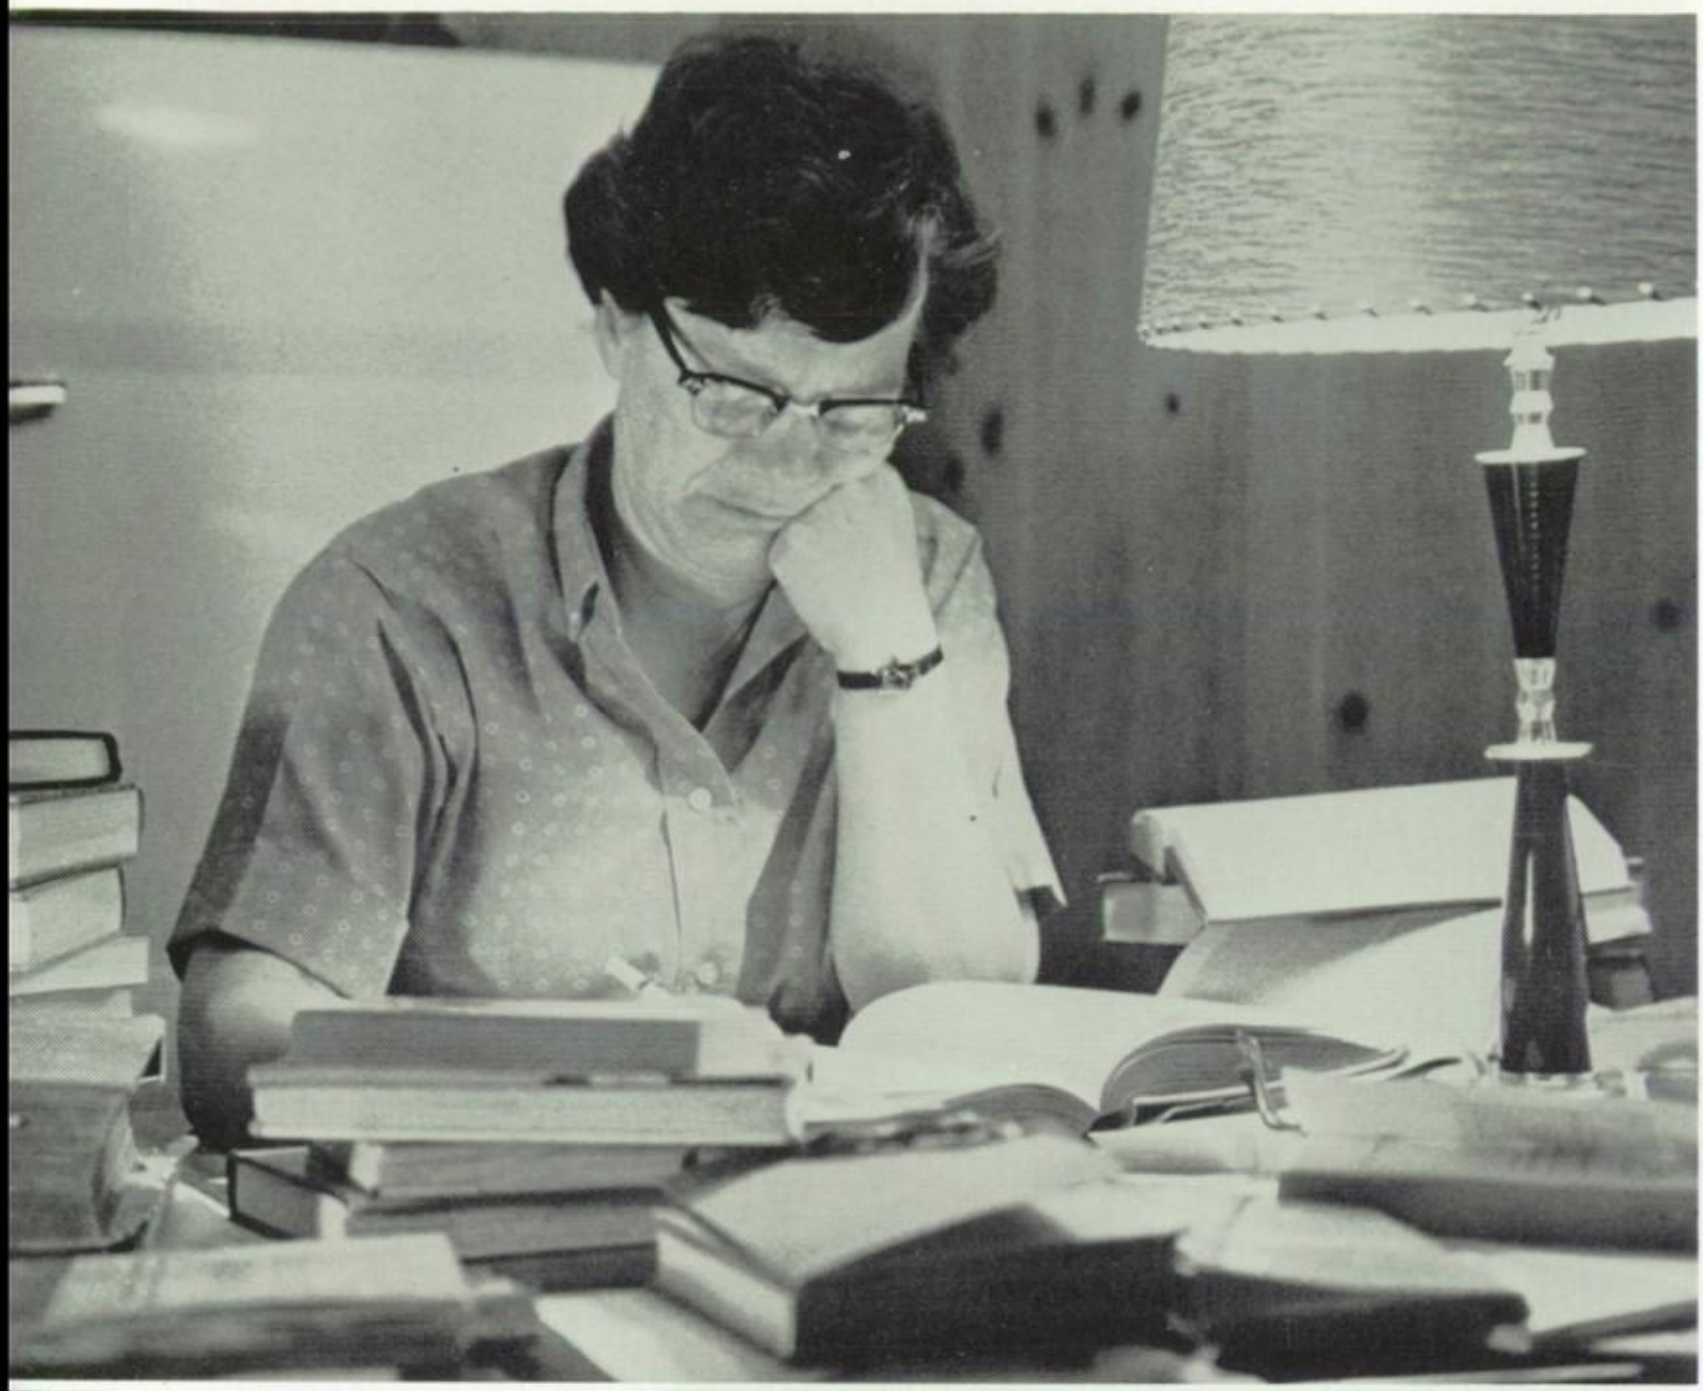
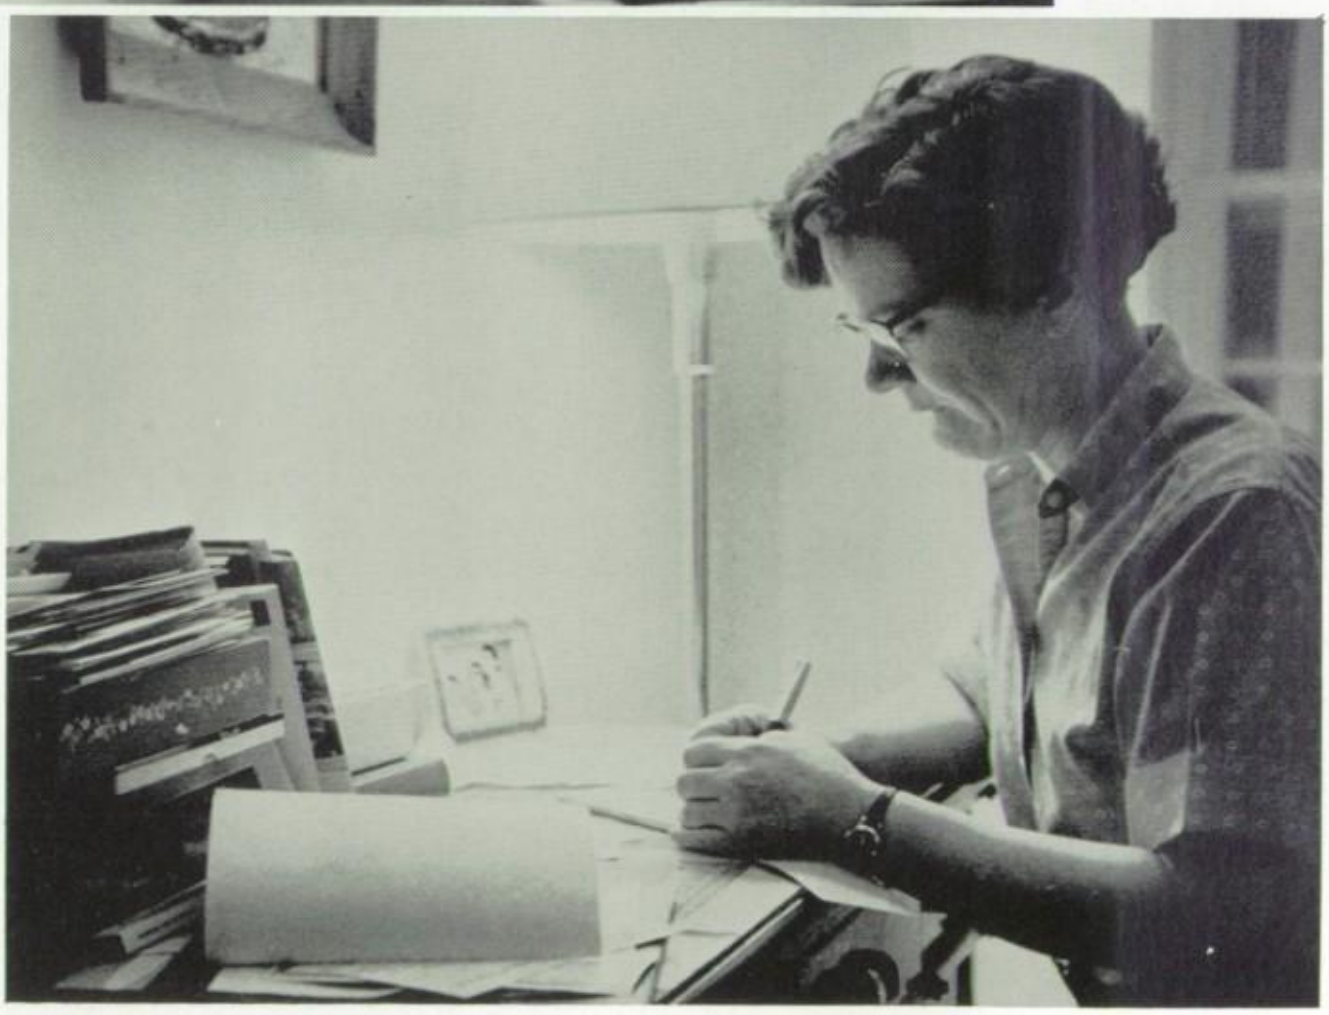
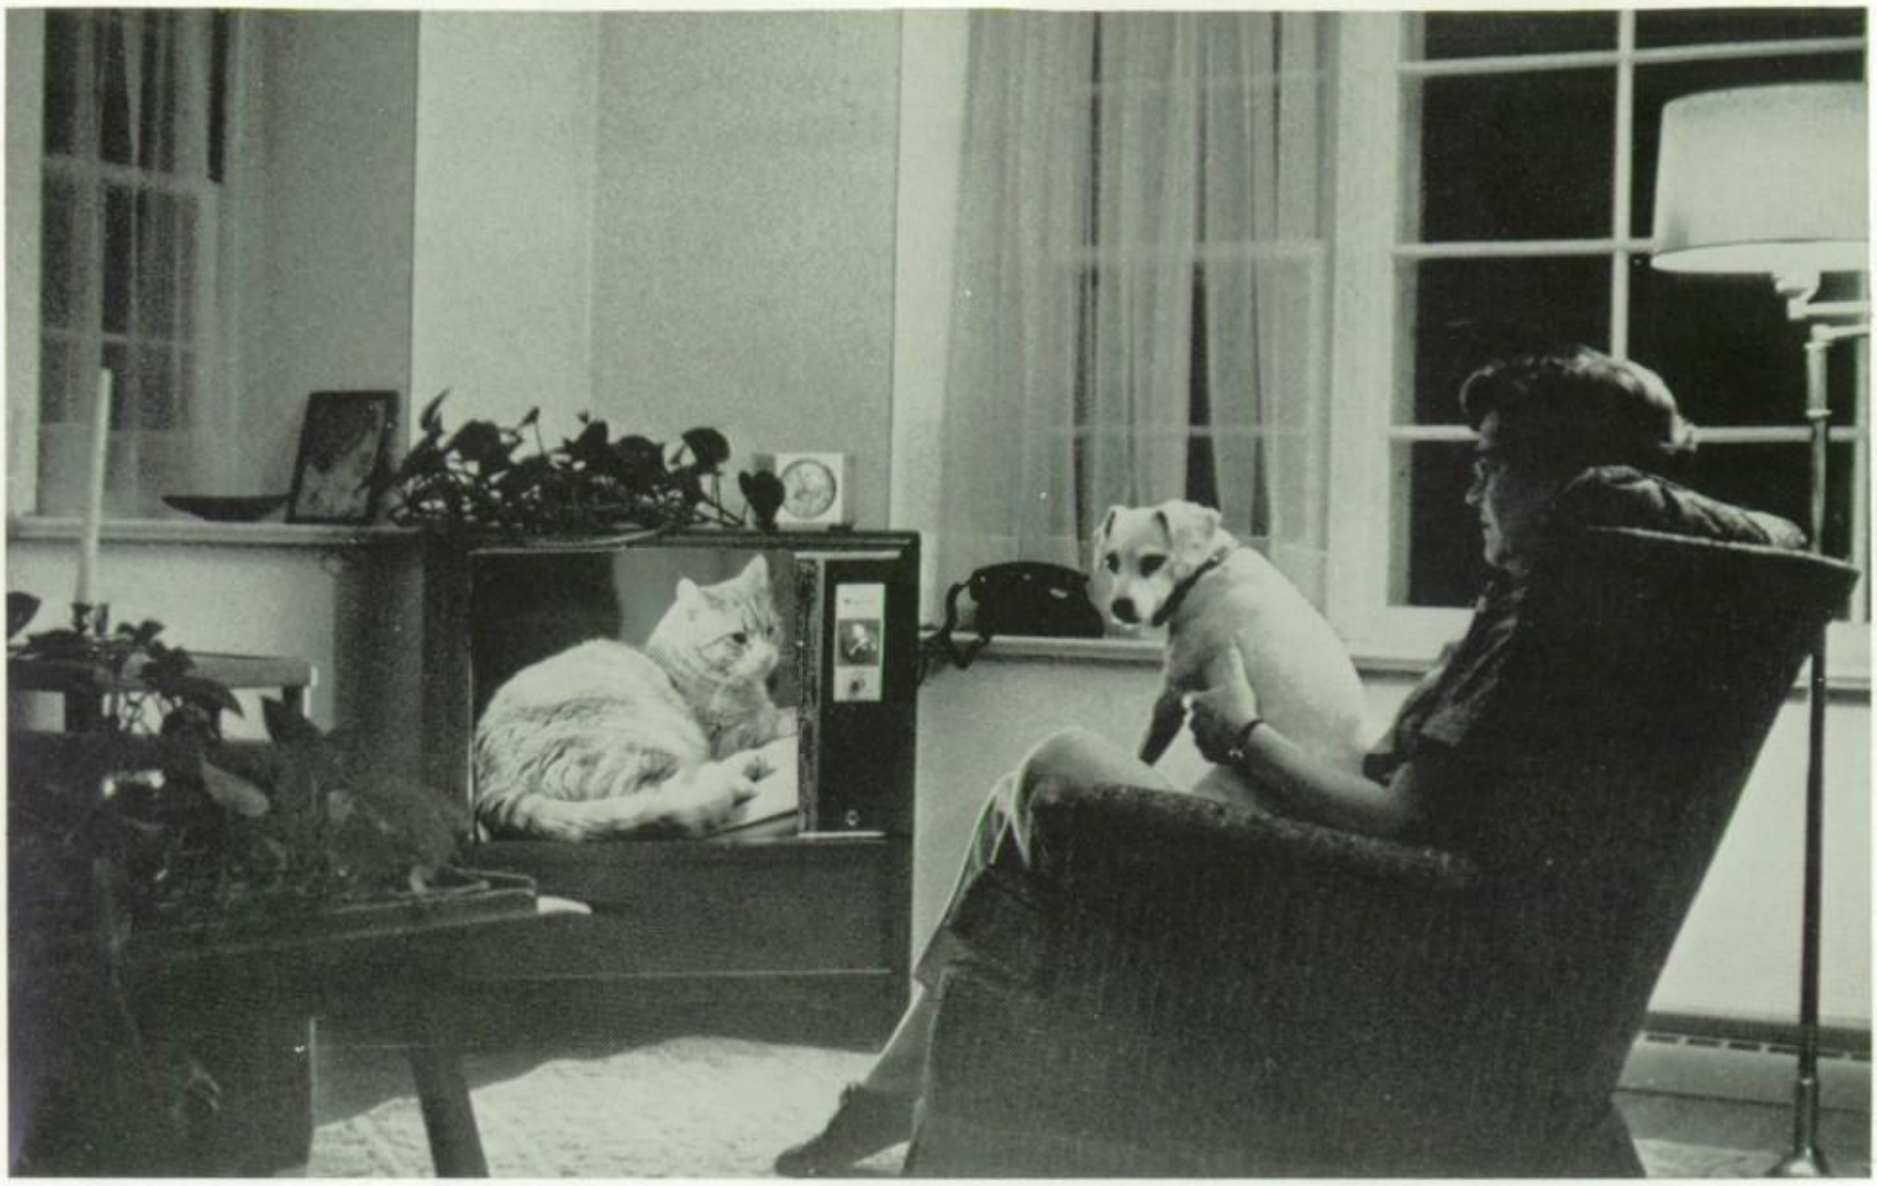
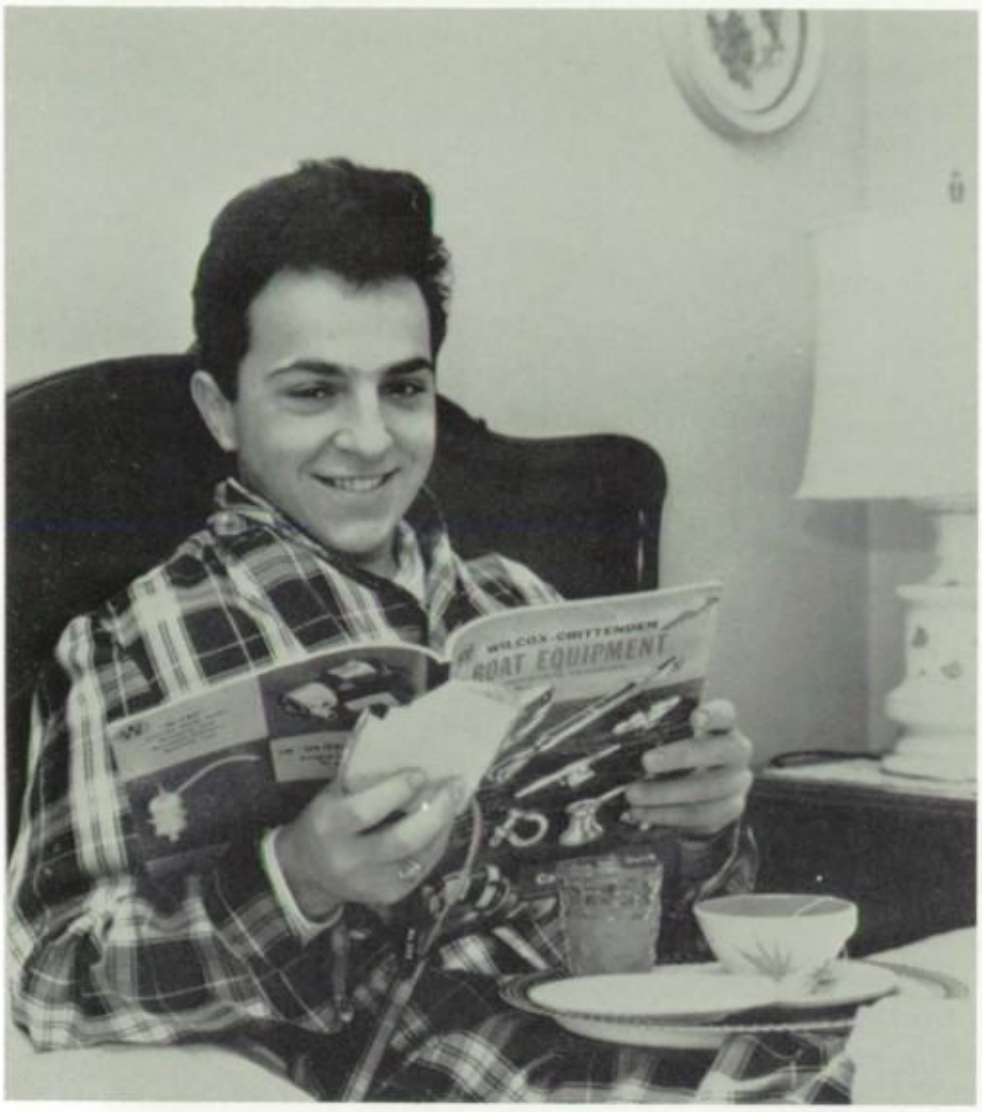
Teacher.









Working, eating, and sleeping are three necessary habits of both the teacher and the student; however, life holds much more than these for the teacher, as previously shown, and for the student.

Although the typical student is kept busy most of the day with everything from oral reports to term papers, he still finds time for relaxation, which may include watching TV, sketching in charcoals, or just fooling with the family pet.

Perhaps the student's main enemy is a thief called PROCRASTINATION. Since a day is only so long, it is often hard to accomplish both the tasks that are required and those that are enjoyed.

All considered, teacher and student, though in opposite positions, need, want, and enjoy, the same things in life—love, security, and happiness.

We, the members of the senior *Muhltohi* editorial staff, express our deepest thanks to those who have enabled us to make this yearbook.

To Mr. Andrew Purdon and Mr. Robert Rasbridge, with whom we found excellent cooperation, patience, and ability, we say "Without you and your work, our yearbook would be both lacking and incomplete."

To Mr. Ronald Rhode and the art staff we say, "Thank you for tying in our theme, current events, with the rest of our yearbook through your drawings and arrangements."

To the administration and faculty we say, "Thank you for allowing us to interrupt you while taking those necessary pictures for the 1964 edition of the *Muhltohi*."

To Mrs. Lois E. Metzger and her business staff we say, "Thank you for handling the financial part of the book. You are a very important part of this organization."

And last, but hardly least, we wish to express our deepest appreciation and heartfelt thanks to Mr. Glenn H. Woods, for "without you there would be no yearbook. Your advice, ideas, patience, and work were indispensable."
